Please follow the instruction manuals and use a pad to protect the product during your assembly.

Note:

1. Should be assembled on flat ground to keep balance.
2. Before completing the installation, do not tighten the screws.

For easier and better assembly, **2** or more adults are required.

ASSEMBLY INSTRUCTIONS

Ruler - Use this ruler to help correctly identify the screws

The lenath of the screw is measured from the rod part excluding the screw cap (30mm screw shown)
